

REMARKS

The above preliminary amendment is made to introduce a substitute specification, to place the application into a more proper U.S. format, to remove multiple dependencies from claims 3-10, to make minor grammatical changes in claims 1-10 and to make minor editorial changes to Figure 4. No new matter is introduced by the amendment and entry thereof is requested.

A courtesy copy of the present specification is enclosed herewith. However, the World Intellectual Property Office (WIPO) copy should be relied upon if it is already in the U.S. Patent Office.

Applicants respectfully request that the preliminary amendment described herein be entered into the record prior to calculation of the filing fee and prior to examination and consideration of the above-identified application.

If a telephone conference would be helpful in resolving any issues concerning this communication, please contact Applicants' primary attorney-of record, John J. Gresens (Reg. No. 33,112), at (612) 371-5265.

Respectfully submitted,

Amendments to the Drawings

The attached drawing sheet includes changes to Figure 4. This sheet, which includes Figure 4, replaces the original sheet including Figure 4. In Figure 4, the number "27" is used twice, once correctly for the stand but once incorrectly for one of the inlets. The attached drawing sheet is correctly labeled "37".
